A prayer for the time of climate change

Dear Heavenly Father,
we bring before you our despair about climate change.
It feels so bad, when so many forms of life are threatened, but still the nations are not able to work together to alleviate the problem.
O Lord, help humankind to choose a better road, so we could find peace!
Thank you for your promise to be with us, no matter what.
Thank you for all the gifts that you give to your world through air, wind and the Holy Spirit.
Thank you for nourishment, power and joy.
Let your Holy Spirit flow strongly in us and in your world. In the name of Jesus.
(Panu Pihkala, Finland, from Luontokirkkovoiosi (LK-kirjat, 2013))

Mothering Sunday Prayer

Loving God, Thank you for mothers and children and for all the joy of family life.
Be with those who are grieving because they have no mother;
Be close to those who are struggling because they have no children;
Be near to those who are sad because they are far apart from those they love.
Let your love be present in every home, and help your church to have eyes to see and ears to hear the needs of all who come.
We ask this in the name of Jesus Christ our Lord. Amen.
